

## May 4, 2008

We welcome all who have come to worship with us today. Today we have the wonderful opportunity to come before the Lord with rejoicing. Moses once sang: "The Lord is my strength and my song, and he has become my salvation; this is my God, and I will praise him" (Exodus 15:2). Let us all joyfully sing and praise God!

### New Family Room

We are excited that we have a new family room for families and new mothers to enjoy. It's located across from the restrooms at the back entrance.

There's comfortable furniture with a changing table, and if you have to take your child in there during the service you can still enjoy the service via television while you are there. Stop by and check out our Family Room today.

And as stewards of this beautiful Sanctuary we all need to do our part to keep the facility clean and looking beautiful. Please help with this by not bringing any food or drinks into the Sanctuary, (this does not include the necessary items needed for babies). To dispose of any trash, we have trash receptacles located in each foyer for your convenience.

### Russ Taff

TONIGHT Russ Taff will be ministering in the 6:30pm worship service. Russ was born the fourth of five sons to a fire breathing Pentecostal preacher father and gospel music loving mother. Russ has been singing for many years, and his musical journey has come full circle, but it's far from over. As an artist he is clearly at the top of his form, and as a man he is the picture of gratitude and grace. He says, "God called me to sing when I was just a little preacher's kid in Farmersville, California, and He's still calling today." Invite everyone you know to be hear for this great time of ministry with Russ Taff.

### New Kid's Choir

We are excited to announce that we are starting a Kid's Choir for ages 1st –5th grades. The children will begin practice during the evening service TONIGHT. They will continue practicing every Sunday night until their first performance, "A Tribute To Our Country", which is scheduled for June 29th. If you would like your child to be a part of this wonderful ministry, please see Amy Miller or Angie Sanders for more information.
